

Stevenson's Toys
Holiday Catalog 2025

From Roy Stevenson...

Welcome to Stevenson's Toys Holiday Catalog for 2025. In it, we have showcased a selection of some of our favorite items for the thousands of amazing, fun, and educational toys we carry. We carefully select the best offerings from the best toy manufacturers in the world: major players like Lego, Jellycat, Mattel, Hasbro, SpinMaster, Brio, Corolle, Steiff, Bruder, Ravensburger, Playmobil and many other wonderful specialty firms.

The catalog is organized by theme and recommended age. Clicking on any product will take you to our website which will provide more information and the opportunity to purchase. Of course, if any questions, or you don't see what you are looking for, please call and our knowledgeable staff will be happy to help. You can reach us at our Southampton store at 631-283-2111 and our East Hampton store at 631-527-7222.

We'd love to see you in person but if you are not in the area please check out our website stevensonstoys.com. Any product you see there is in stock. We gift wrap for one dollar per item and can ship anywhere, in most cases within one business day of order. Because we are a small business, shipments out of New York are tax exempt.

Thank you for shopping locally and your patronage now and throughout the year. We love being a part of and supporting the schools, churches, and charitable causes with donations for their fund raising auctions and raffles.

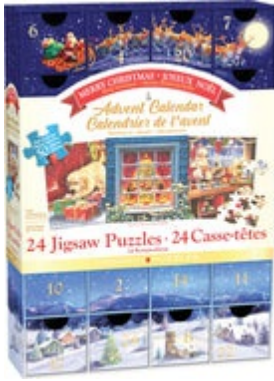

We are a Toys for Tots drop off center and distribute toys to needy children both to that wonderful organization and also local causes like the Heart of the Hamptons, the Shinnecock Presbyterian Church, local veterans through Veterans Hall and others. If you would like to donate and make a child's holiday happier, go to our website and search Toys for Tots.

My staff and I send you and yours our sincere wishes for the holidays. May you enjoy the blessings and peace of the season.
