ROUND SOAPS

Crafted in Japan using traditional soap-making methods, the TamanoHada Round Soaps are beautifully sculpted into smooth, spherical forms that feel as refined as they look. Made from sustainable palm oil and pure essential oils, each soap creates a rich, moisturizing lather with a long-lasting fragrance designed to elevate the everyday bathing ritual.

Though perfectly round in appearance, each soap features a subtly flattened base so it sits securely in a soap dish or on the counter. Gentle enough for hands, body, and sensitive skin, the soaps are available in a curated assortment of sophisticated scents and are equally suited for daily use or gifting.

DETAILS:

- Six compelling scents
- Flat base to use in soap dish
- Made from Palm and Pure Essential Oils
- Gift Boxed
- Minimum 4 per scent
- **MSRP: \$13.00 WHOLESALE: \$6.50**

WELCOME SOAPS

Inspired by the Japanese tradition of giving symbolic gifts to welcome good fortune, the Tamanohada Welcome Soaps are shaped like the tai fish — a symbol of happiness, celebration, and prosperity in Japan. Often associated with special occasions and warm hospitality, the fish motif reflects a sense of generosity and everyday ritual.

Blending traditional Japanese craftsmanship with thoughtful design, the Welcome Soaps transform an ordinary household item into a meaningful object meant to be displayed, gifted, and enjoyed. Beautifully packaged and rich in symbolism, they make a thoughtful hostess gift or a refined gesture for any occasion.

POMEGRANATE

The scent of early picked pomegranate is blended with the scent of lemon oil and mentha. A refreshing floral scent spreads in the depths.

MUSCOVADO

A floral bouquet-like scent is blended with a rich brown sugar scent. A high-quality scent with a slight sweetness.

LILY

A refreshing, pure white floral blended with a leafy green scent. A neat and fresh lily scent.
