KUON BY KISEN

KUON by KISEN is a Japanese design collection that celebrates timeless simplicity, refined craftsmanship, and mindful living. Inspired by the Japanese concept of kuon—meaning "eternity" or "lasting beauty"—the collection combines traditional metalworking techniques with contemporary design to create beautifully crafted objects that bring warmth, tranquility, and enduring elegance to everyday life. Since its founding, KISEN has embraced a mission of bringing joy and enrichment to people's lives, a spirit that continues to inspire every KUON piece. Dedicated to fostering inner peace and mindful living, KUON creates thoughtfully crafted objects that bring lasting beauty and harmony to the home.

- Timeless Japanese-inspired design
- Traditional craftsmanship with modern appeal
- Premium metal construction
- Minimalist décor for contemporary interiors
- Designed to inspire calm and mindful living
- Creates a calming, harmonious atmosphere
- Designed to be cherished for years to come

MADOKA DONGURIN BELL

Ring the **Madoka Dongurin Bell** with a pendulum stored in an acorn.

The action of pinching the wooden lid and ringing it with a pendulum makes you feel a polite and calming moment that makes you forget your busy daily life. A clear and bright tone that matches the cute design.

DETAILS:

- Crafted from solid brass and natural wood
- Traditional Japanese bell with a clear, soothing tone
- Innovative enclosed pendulum design
- Pendulum stores neatly inside the wooden lid when not in use
- Inspired by the shape of an acorn (donguri)
- Creates a calming ritual for mindfulness and reflection
- Beautifully balances contemporary design with Japanese craftsmanship
- Bright, resonant sound with a lingering tone
- Handmade in Japan using traditional Takaoka metalworking techniques
- Overall Dimension: H 2.4" x D 1.4"
