

BALLON

AMEICO

INCENSE

Ballon is a Tokyo fragrance atelier that blends scent with art. Their incense collection is inspired by the emotional atmosphere of five cities, each crafted to evoke a specific mood or moment. All pieces are handmade in Tokyo, reflecting the brand's mission: *relaxation and health care for art lovers*.

ESSENTIAL OIL DIFFUSERS

The BALLON Animal Aroma Ornaments are charming ceramic diffusers designed to release a gentle fragrance when a few drops of essential oil are applied. Crafted from pure white plaster, it's perfect for small areas like drawers or closets and typically comes with lavender oil, which has a high relaxing effect and is said to be an all-purpose essential oil. Simply add 2-3 drops of oil directly onto the ornament to enjoy its soothing scent.
